DuPSUG

Open Discussion

June 18, 2020 - #DuPSUG

New PowerShell releases

- PowerShell 7.0.2
  - Internal changes
  - Bug fixes

- PowerShell 7.1.0-preview.3
  - Improvements on Compare-Object
  - Get-Filehash
  - `-replace` operator

Pester 5 released

- Breaking Changes
- Code should not be outside It/Before*/After* blocks
- Should Throw has new behavior
- Results object is more verbose than before
- https://github.com/pester/Pester/releases/tag/5.0.0
- https://www.youtube.com/watch?v=mTfUO00hWSc

```
# Quick Fix:
Import-Module Pester -RequiredVersion 4.10.1
```

June 18, 2020 - #DuPSUG

I would use -MaximumVersion 4.99.99, that way you get future patches to 4.x

PowerShell Conference EU Recap

- Find all the great sessions on PSCONFEU on their YouTube Channel
- http://PowerShell.video
    - Youtube channel

- http://Powershell.Love
    - Overview, second day and lists of videos per category

PowerShell Code Golf

https://code.golf/

Code Golf is a game designed to let you show off your code-fu by solving problems in the least number of characters.

Since this is your first time here, I suggest starting with something simple like Fizz Buzz.

12 Days of Christmas	99 Bottles of Beer	Abundant Numbers	Arabic to R
647	659	400	

Christmas Trees	Cubes	Diamonds	Divisors
536	193	338	

Evil Numbers	Fibonacci	Fizz Buzz	Happy Num
1,006	1,624	2,388	

Lucky Tickets	Morse Decoder	Morse Encoder	Niven Num
